What to Do When You're New: Tips for Physicians

Appointing physicians to key leadership positions. This isn't necessarily the wrong approach, but if a health system puts a physician in a leadership position, he or she needs to be trained. Without this training, the physician won't be able to effectively organize everybody else around them and be a compelling leader. Financial incentives. Sure, physicians want to be paid for their time, but by and large, physicians are an altruistic group of folks.
