A Monogram Initial Composition Lined

The order of initials depends on the type of monogram that you are embroidering, the number of letters in the monogram style and who the handkerchief recipient will be. To help you answer these questions, I put together a little monogram guide. The guide is based on the traditional monogram format and to give

...

A personal monogram consists of three initials (first, middle and last names). If someone doesn't have a middle name, they often use a dual initial monogram or opt to use their last name initial only. A man's initials usually don't change—the exception is if he and his spouse use a hyphenated last name after they're married.
