United Kingdom - United Kingdom - Elizabethan society: Social reality, at least for the poor and powerless, was probably a far cry from the ideal, but for a few years Elizabethan England seemed to possess an extraordinary internal balance and external dynamism. In part the queen herself was responsible. She demanded no windows into men's souls, and she charmed both great and small with her ...

In the subsequent history of the society, various episodes are of particular significance. The presidency of Sir Isaac Newton from 1703 to 1727 saw this great mathematician and physicist asserting the society's dominant role in science in Britain and farther afield. (Earlier, Newton's Principia had been published with the society's imprimatur.) Endowments from the 18th century onward ...

The primary motive of British imperialism in China in the nineteenth century was economic. There was a high demand for Chinese tea, silk and porcelain in the British market. However, Britain did not possess sufficient silver to trade with the Qing Empire. Thus, a system of barter based on Indian opium was created to bridge this problem of payment.

According to one prominent Catholic feminist theologian, ancient Israelite women experienced “enslavement” within their families. Carol Meyers attests that her undergraduate students likewise tend to assume biblical women were veiled, subservient, and oppressed. Yet the archaeological record of ancient Israel, when combined with a more careful reading of the Hebrew Bible itself, yields a ...
