How to Answer the Problem of Evil. Matt Fradd • 7/9/2013.
Download Share. The problem of evil is the greatest emotional obstacle to belief in God. It just doesn't feel like God should let people suffer. If we were God, we think, we wouldn't allow it.

How to Answer the Problem of Evil | Catholic Answers

Answer: 1 question What is the answer to this problem? - the answers to estudyassistant.com

What is the answer to this problem?

Choose a good example: This is a situation where a generic answer, such as, "I always respond to problems quickly and efficiently" doesn't suit. Choose examples that will put your relevant skills on display. Avoid pointing fingers or placing blame, and keep language neutral when describing the cause of the problem.
