The point of the conversation is not to prove that you are right, but to understand each person's perspective and resolve the situation (even if it means setting boundaries with the other person). If you go into the conversation telling the other person they are wrong and don't listen to their perspective, it's not going to turn out well.

How to Use Crucial Conversation's STATE Method

When we face crucial conversations, we can do one of three things: We can avoid them, We can face them and handle them poorly, or We can face them and handle them well. At the heart of almost all chronic problems in our organizations, our teams, and our relationships lie crucial conversations—ones that we're either not holding or not holding well.
