The first outline-style ABSITE review book & still the best! For years, general surgery residents have relied on The ABSITE Review for a comprehensive, memory-prompting approach to exam preparation. The Fifth Edition continues to use a streamlined outline and list format to effectively prepare you for certification or recertification with the American Board of Surgery In-Training Examination.

It truly is COMPREHENSIVE. The ABSITE is a city with a zoo, and this book shows you where the zebras are. 2. Fiser does underline, italicize, and asterix VERY important info. Every 3rd word is bolded, like the regular ABSITE Review, making it more of a way to breakup monotony than emphasize important stuff. \*\*\*3\*\*\*.

The ABSITE is furnished to program directors as a formative evaluation instrument to assess residents' progress. The results are released only to program directors. It is not available to individuals and is not required as part of the board certification process. The ABSITE is administered online using each program's own computer facilities.

### **ABS In-Training Examination | American Board of Surgery**

"Fiser's ABSITE Review was the first preparatory book written in outline style and surprisingly continues to be the only book of success in the market written in this style (most are Q/A). All facets of the test are covered, from basic science to clinical knowledge in general surgery as well as the surgical subspecialties.
