The ideal man. The ideal man is a theoretical individual – a man who embodies perfect and unfaltering masculinity. This fictional construct is seen to define the male gender, and is an essential component of men's experience of gender. In effect, men construct their own personal masculinity in reference to their version of the ideal man.

I'm a children's writer, with a couple of non-fiction articles and one book for the educational market to my credit, but I've caught the fiction bug and am attempting the leap from nonfiction to fiction. I'd be grateful for any suggestions you have on learning to write humor. Great question, and one I don't remember addressing before.

I started writing fan fiction because my English was bad. In fact, I mainly learned how to write and speak English from video games when I used to live in Mexico. Speaking the language was easier compared to writing, and after moving to the U.S. [in 2008], many English teachers saw how I was very developed in the English for a person who came from Spanish-speaking Mexico.
