Moray Coast Railways

The Morayshire Railway was the first railway to be built north of Aberdeen, Scotland. It received royal assent in 1846 but construction was delayed until 1851 because of the adverse economic conditions existing in the United Kingdom. The railway was built in two phases with the section from Elgin to Lossiemouth completed in 1852.

Keith, Moray We weren't on the road long before we were distracted again - this time the historic railway station in Keith caught our eye. The station sits at one end of The Whisky Line - an 11 mile stretch of track connecting Keith and Dufftown. Vintage trains run up and down the track, offering whisky samples on board.

A coastal road trip in Moray and Aberdeenshire

Calcots railway station was a railway station in the parish of St Andrews-Lhanbryd, Moray. The railway station was opened by the Great North of Scotland Railway (GNoSR) on its Moray Firth coast line in 1884, served by Aberdeen to Elgin trains. It served a rural area rather than a discrete settlement and closed to regular passenger traffic on 6 May 1968 on the same date as the line itself.
