### Presenting The Past

The present continuous and past continuous tenses (also called present progressive and past progressive) are used when we are describing actions that continue for a period of time in the present or in the past. To form the present continuous and past continuous we use the present / past tense of the verb to be and the present participle of the main verb (I am walking / I was walking).

### Present and past continuous explained | Continuous tenses ...

The form of the verb to be is am (contracted to 'm), is ('s) and are ('re) in the present tense and was/were in the past.To be is used as an auxiliary verb, to form continuous tenses and the passive, and as a main verb. Here we are looking at it as a main verb.

The Present and the Past (1953) is a novel by Ivy Compton-Burnett about the head of a family who, although outwardly powerful and in charge, is suffering under the fact that he is being belittled and at some point even outright ignored by family and servants alike.

### The Present and the Past - Wikipedia

These actions take place in the present, but also they are also future actions in a sense. The sentence you ask about is a good example -- the board meeting happened in the past, but will also happen again in the future. The best form to speak about this kind of action is the present simple, i.e. the answer is B. Hope this helps. All the best, Kirk

### Present tense | LearnEnglish - British Council

The past is the set of all events that occurred before a given point in time. The past is contrasted with and defined by the present and the future.The concept of the past is derived from the linear fashion in which human observers experience time, and is accessed through memory and recollection.In addition, human beings have recorded the past since the advent of written language.
