Plus, ManyBooks has put together collections of books that are an interesting way to explore topics in a more organized way.

Terra Incognita Travels In Antarctica

Terra Incognita: Travels in Antarctica. It is the coldest, windiest, driest place on earth, an icy desert of unearthly beauty and stubborn impenetrability. For centuries, Antarctica has captured the imagination of our greatest scientists and explorers, lingering in the spirit long after their return.

It is the coldest, windiest, driest place on earth, an icy desert of unearthly beauty and stubborn impenetrability. For centuries, Antarctica has captured the imagination of our greatest scientists and explorers, lingering in the spirit long after their return. Shackleton called it "the last great journey"; for Apsley Cherry-Garrard it was the worst journey in the world.

Terra Incognita: Travels in Antarctica - Sara Wheeler ...

Terra Incognita is a meditation on the landscape, myths and history of one of the remotest parts of the globe, as well as an encounter with the international temporary residents of the region - living in close confinement despite the surrounding acres of white space - and the mechanics of day-to-day life in extraordinary conditions. Through Sara Wheeler, the Antarctic is revealed, in all ...

Terra Incognita: Travels in Antarctica (067944078X) by ...

I enjoyed Sara's account of her travels mainly due to her wonderful ability to articulate what she had seen and experienced. I do warn future readers that there are a number of these articulations meant for the Antarctic traveler. As I have traveled to Antarctica once in 1995 for science, I feel that "Terra Incognita" held infinitely more flavor.
