Clash of Monarchies: The Crimean War. Given recent events in the world, the Crimean War may be a little more on the minds of people lately but, in general, it is a conflict that is not often remembered. And yet, this clash of monarchies had far-reaching consequences for the monarchies involved and even, by extension, for the cause of monarchy in general.

Pleshakov illustrates how the proxy war unfolding in Ukraine is a clash of incompatible world views. To the U.S. and Europe, Ukraine is a country struggling for self-determination in the face of Russia's imperial nostalgia. To Russia, Ukraine is a "sister nation," where NATO expansionism threatens its own borders.
