The setting is the east end of London in the 1970s. A mutant species of rats has evolved and begins to attack humans. As they multiply and spread across the city the fight begins to stop the rats for once and for all. This was Herbert's debut novel and although it is efficient enough its immaturity shows.

The Rats (The Rats Trilogy) - Kindle edition by Herbert ...

James Herbert's first book - 'the Rats' - follows an outbreak of mutated giant rats in London, with most of the (early) action focused around the Docklands. The book's rats - larger, fiercer and much more intelligent than the more mundane brethren known to us - seem to be hell-bent on human and animal flesh and get to it in a series of ever more violent encounters.

The Rats book by James Herbert

It's London and the early 1970s. The city still bares the marks of the Blitz, peppered with rubble strewn bomb sites, and the flowery hope of the swinging sixties seems to have withered, poisoned by Britain's industrial, economic and political decline. This is the backdrop to The Rats, James Herbert's 1974 horror classic.
